PROFESSIONAL DIRECTING/CHOREOGRAPHY CREDITS

I was the Associate Artistic Director at Greater Boston Stage Company for five years. My responsibilities included assisting the Artistic Director in show selection, running auditions, reading and choosing new plays for the Don Fulton New Play Project, and directing and choreographing shows. As a director/choreographer, I mentored new career directors and choreographers by having them work side by side with me as Assistants.

AAD responsibilities included Public Relations including pitching season selection to media outlets and critics, communication with press and media, communication with Marketing and PR Directors throughout the local theater community, social media, and miscellaneous marketing. I also represented GBSC on the StageSource board.

I hold the position of Clerk for the Theatre Community Benevolent Fund.
